ALTA LANGA DOCG

Riserva Riserva Giulio I vendemmia 2012 extra brut

2012 harvest took place in the second half of August after a rainy spring that was optimal for flowering. The ripening period of the grapes was characterized by strong temperature changes between day and night. The cool nights, alternated with intense sunny days, helped the blossom of primary aromas, amplifying the fruity notes of the bunch.

Our winemakers worked in the cellar with frequent batonnage to get the best secondary aromas. The 72 months rest on the yeasts complete the bubbly perfect balance and personality.
